

Re-Contracts (Renewing or Recompete Contracts)

Within the Select GCR Pro program search for renewing or recompetete contracts. Well over 90% of available opportunities are preexisting contracts that will come up for renewal or recompetete. The professionals know that all of the money and opportunities are within the Re-Contracts. Follow these simple instructions and succeed in Government contracting.

Search Re-Contracts (Renewing or Recompetete Contracts) by Keywords, Award ID/Contract Number, Contractor/Recipient, Contract Amount, Expired From/To, NAICS, PSC, Department/Agency, Set Aside Status, and State.

Action	Award ID	Contractor	Description	Awarding Agency	Awarding Sub Agency	State Name

During this process research the contract starting with the title/subject, then go directly into the contract to view the description, Contract Activity, Federal Accounts, Award History, and Additional Information.

Contact the CO (Contracting Officer), reference the contract number, and discuss the opportunity. Determine if it is open for re-compete. If so, converse with the CO, build rapport, send your capabilities statement, and determine how to submit a bid.

*Connecting with the CO will position your business for that particular opportunity, and to be thought of for upcoming opportunities involving that department/CO. **(Relationship Building)**
