Benefits of Small Mentor-Protégé Program Participation

Protégés can get valuable business development help from their mentors in several areas including:

- Guidance on internal business management systems, accounting, marketing, manufacturing, and strategic planning
- Financial assistance in the form of equity investments, loans, and bonding
- Assistance navigating Federal contract bidding, acquisition, and performance process
- Education about international trade, strategic planning, and finding markets
- General and administrative assistance, like human resource sharing or security clearance support
- Mentors and protégés in all small programs can form joint ventures. These joint ventures would qualify for set-aside contracts that the small business is eligible for, including contracts set-aside for Veteran-Owned, Women-Owned and HUBZone businesses.
