

Select GCR Pro Finding Contracts

The Select GCR Pro program connects you to all Government websites and databases, providing you all past, present, and future contract information. Search for contracts on a Federal, state, and local level, through hundreds of Government websites and databases.

Federal Solicitations - Search and access available Federal open solicitations for your industry and/or the entire Government. Connect to numerous Government websites with a click of the mouse to view available contracts to bid on.

State Solicitations - Search and access available state open solicitations for your industry and/or the entire Government. Connect to numerous Government websites with a click of the mouse to view available contracts to bid on.

Award History - Search all previously awarded contracts for research purposes. Find important information on who was involved in each contract (CO, agency, prime).

Re-Contracts (Renewing or Re-compete) - 95% of all available contracts are pre-existing contracts that will come up for renewal or re-compete. Search all previously awarded contracts to determine if they are open for re-compete after expiration. Find important information on who was involved in each contract (CO, agency, prime).
